

## CITY TOUR OF ADDIS

Addis Ababa ("New flower" in Amharic) is the third elevated capital in the world with an altitude of 2,400 m. Founded in 1887 by Emperor Menelik II, it is also known as the capital of Africa for hosting multiple international institutions such as the African Union Commission and the United Nations Economic Commission for Africa.

Business or holiday travelers are expected to enjoy staying in this Africa's bustling and vibrant capital city. Its ethnically diverse population of more than 5m are known to be hospitable and helpful in creating long lasting memorable experiences.

### Highlights of the City Tour

#### Unity Park:

It is found inside the Grand Palace compound. The attraction provides you with the chance of experiencing the personal collection of the 19<sup>th</sup> and 20<sup>th</sup> centuries Ethiopian Leaders as well as that of the royal family members. Unity Park offers to the visitor the highlights of Ethiopian past political, social and economic history. You have also the chance to see the endemic Abyssinian black mane lion. The renovated compound incorporates several sights of interest to visitors, including an arena, a playground, a zoo three churches, House of Royals and an imperial banquet hall Throne hall.

#### *Cultural Coffee Ceremony:*

Ethiopia's coffee ceremony is an integral part of our social and cultural life. An invitation to attend a coffee ceremony is considered a mark of friendship or respect and is an excellent example of Ethiopian hospitality.

While driving through the city you have the chance to see Ethio-Djibouti rail way station, historical monuments and statues, embassies, the office of regional and international organizations.
